You good with the changes to the meeting notes from Lora and Paul?

In case you missed my other email, did BWD respond Bob's letter about the pilot?

Doug – Bob is on VL for the last two weeks of October so he is not available. Mike and I are both clear on 10/29. We have the same meeting scheduled for 10/22 but it probably can be changed. I'd encourage you to firm the date up soon.

Jim

These comments came in (in addition to the Navy comments).

Looks like we are down to two meeting dates 10/22 and 10/29. I assume these both still work for you? I believe that Catherine McCabe will attend. I think you said Bob might pass on this meeting...would Catherine's attendance influence his coming?

Doug

Thanks for forwarding your notes. Please indicated under note 1B that HDR advises of no conflicts with the Navy and Grumman as it relates to the DEC report project.

Hi

I hope you all are enjoying the summer.

Thanks

Doug
